SO ORDERED.

Re: *United States v. Jose Santana*, 18 Cr. 466

Paul G. Gardephe
United States District Judge

Dated: December 7, 2020

Dear Judge Gardephe:

The Government writes to respectfully request an adjournment of the parties' December 14, 2020 violation of supervised release conference in the above-captioned matter. After conferring with defense counsel, the Government has learned that the defendant's state charges, which are the basis of a number of the defendant's violations, still remain unresolved due to the COVID-19 pandemic. The Government further understands from defense counsel that the outcome of the defendant's state court proceedings will materially impact the resolution of the outstanding violations in this matter. In light of the foregoing, the Government requests that the Court adjourn the upcoming conference until February 2021. The Government has conferred with defense counsel, who consents to this request.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
